FINANCE SMARTER WITH PEOPLE WHO UNDERSTAND TRUCKING

Partner with International® Financial on your next truck purchase

When you're buying a new truck, you need to look at more than just vehicle specs. The company you choose to finance your purchase impacts your Total Cost of Ownership (TCO).

Plan smarter and save more with financing that's built specifically for the truck you're buying. International Financial offers financing that's uniquely structured around the needs of trucking industry customers like you, providing specialized benefits that traditional disconnected financiers just can't offer.

THE INTERNATIONAL FINANCIAL ADVANTAGE: HOW WE HELP FLEETS WIN

Deep Industry & Product Expertise

Unlike generic banks, we know International® trucks inside and out. From real-time performance data to accurate residual values, we structure terms that reflect the true lifecycle of the asset—leading to more competitive monthly payments and easier approvals.

Unified Billing & Bundled Solutions

International Financial combines financing with extended service contracts and preventative maintenance into one predictable monthly payment. This helps simplify your back-office administration and streamlines your cash flow.

Uptime-Focused Flexibility

Keeping your truck moving and making money is critical. Our integrated telematics and service programs allow for proactive maintenance. If the unexpected happens, we offer flexible payment options or seasonal extensions to protect your cash flow.

Seamless End-of-Term Transitions

We align our return and upgrade pathways with International's product strategy. This makes it faster and more cost-effective for you to refresh your fleet and get the upgrades you need sooner.

SAVE WITH SPECIAL PROMOTIONAL RATES

As the official financier of International, we provide special limited-time offers like Drive Now, Pay Later financing and exclusive rates on Maintenance and Warranty solutions. It all helps you get the truck and services you need faster, all in one easy to manage bill.

GETTING FIRST-TIME BUYERS ROLLING WITH FLEXIBLE TERMS

Need a new truck but haven't built a credit history? As a company that understands the trucking industry, International Financial is skilled at helping first time buyers establish credit and get on the road, offering flexible payment solutions tailored to your unique needs.

PREDICTABLE COSTS AND INTEGRATED SUPPORT

Partner with a financier that knows the hardware as well as you do. International Financial empowers your business with predictable costs, optimized lifecycle planning, and integrated support that traditional lenders simply cannot match.
